Fellow Knights, brothers, friends,

As we head into the second month of the fraternal year the motto is recruitment. I ask you to make efforts to bring someone new into the order or someone who has fallen away and might be willing to return. If everyone were to attempt to bring just one person in we could get some new members in to share with us the benefits, fun, and work. Imagine bringing in two new members or more. With you all, all is possible.

The Knights are a fellowship and we should be encouraging others to join in. We are proud supporters of the church. Our families and community will only become stronger with more members. We also can help each other out when it is needed.

I implore you to just reach out and speak with someone about the Order. Encourage them to join and to see how much fun it is and what they are missing out on. Welcome them with open arms and give them the choice.

I leave you with a reading.

1 John 1:3 *that which we have seen and heard we proclaim also to you, so that you too may have fellowship with us; and indeed our fellowship is with the Father and with his Son Jesus Christ.*

Vivat Jesus
